

# Camptonville Area Workshops 2024

## Behavior and Development Workshops For Parents & Caregivers of Children Ages 0-5

Camptonville Community Partnership,  
16585 School St, Camptonville, 95922

### "Questions About Quirky Things Kids Do" Friday, January 26, 10:30-12:30

Join us for a conversation where you can ask any parenting question that is on your mind. Answers will include development and behavior information and ideas for helping children learn new skills so you can breathe a sigh of relief.

### "Squirmy-Fussy-Loud"

Friday, February 23, 10:30-12:30

Restless-Picky-Grouchy-Pushy-Mean

If any of these words describe concerns you have about your child, this workshop is for you. We will explore three brain and body senses that affect behavior and give you lots of unique ideas for improving children's sensory balance.
